

For all creatures great and small.

RSPCA NSW Privacy Policy

The RSPCA NSW collects information regarding the people who become members and volunteers, attend our events, make donations and in other ways assist the Society and also those for whom we provide services through our Shelters, Veterinary Clinics, Inspectorate, Administration and our RSPCA NSW websites.

This information may consist of consumer details such as credit card information, records of purchases, donations, website related activities etc. or details that will assist us in reuniting lost pets with their owners or successfully rehoming animals. We may add/maintain your personal details on our secure database for these purposes

This information may be used in a variety of ways that assists the work of the Society in promoting animal welfare and in keeping members and other interested persons advised of the activities of the Society. We may also analyse and use your personal information in general terms for statistical purposes.

We will not sell, loan or give away any personal information we have collected to a third party except where legally required or in cases where in providing our services to you we may be required to pass your personal information on to contractors, agents or consultants to help us (e.g. mailing houses). All such agents are required to adhere to our Privacy Policy.

The Society will take all reasonable steps to ensure that the personal information we collect and hold is secure from loss, misuse or unauthorised access.

If you require further information or would like to access or request amendments to your personal information held by us, or do not wish to receive any further notices regarding appeal/event activities please direct your request, in writing, to:
