Paper collar for stray cats

- 1. Print this template
- 2. Write your contact telephone number in the space provided and cut out one collar
- 3. Ensure the fitted collar allows for two fingers to be placed between the collar and the cat's neck
- 4. If you get no response, contact your local vet or local council to check if the cat has a microchip

RSPCA***	This cat visits me and I'm worried they may be a stray and need a home. Please contact me if they belong to you. rspcansw.org.au/keeping-cats-safe	NAME PHONE
