

Safe Cat, Safe Wildlife

When your cat enjoys time at home with you, they're safe from roads, fighting and disease. You might see more native wildlife in your area too!

As part of the Safe Cat, Safe Wildlife Community you'll receive direct to your inbox:

- ✓ Unique offers
- ✓ Expert advice on cat care
- ✓ Tips to give your cat their best life!

Scan to join the Safe Cat, Safe Wildlife community today for more easy ways to keep your cat safe and happy at home!

Purrfect way for your cat to play!

Toys are a great way to entertain your cat at home! They can be easy to make, just like this one.

Simply pop the pieces out and slide them together – no glue or tape needed – and give it to your cat to play!
