

Animal Stereotypes

What is a stereotype?

Stereotyping is when people have a belief based on how someone looks, where they are from or what they like.

These beliefs are often not true or fair.

Persuasive Writing Task

Choose an animal with a stereotype and write a letter from the point of view of your chosen animal. In your letter, argue whether you find these stereotypes fair or unfair. Write three reasons to support your opinion to convince the reader that your opinion is valid.
